outwitting history the amazing

May 20th, 2020 - outwitting
history by aaron lansky is a
book about the author s efforts
to rescue a large number of
books in the yiddish language
from destruction according to
the book at age 23 lansky read
that thousands of the few
remaining yiddish books in north
america were being discarded by
the children of the books
original yiddish speaking
owners'
