May 30th, 2020 - civilian clothing had to resort to using  
new materials nylon created by dupont and introduced in  
1938 replaced silk for women s items until it began to be  
used for the same purposes as silk for the war american  
cotton began to take over as a casual fabric of choice wool  
blends were introduced to save wool for military uses and  
the synthetic fabric rayon became the most widely used'
