meaning what does the once and future mean english

may 21st, 2020 - i ve encountered the phrase the once and future x and i m confused by it it seems to be closely related to arthurian legends the book the once and future king referring to arthur or the episode the once and future queen of the tv show merlin referring to guinevere this use is likely derived from the aforementioned book when

i try to understand what the phrase means i would **"win a once amp future series bundle book riot"**
